Any improperly cast vote will not be counted. Please read the face of the ballot carefully before taking this option.** Using the alphabetical keyboard below, enter the name of the person of your choice, one letter at a time. To make a space between the first and middle name or initial and the last name, use the arrow pointing to the right on the keyboard. To make a correction, use the arrow pointing to the left. The name you enter will appear in the display to the left of the keyboard. When you have entered the whole name, proof it, then press the enter button on the keyboard. Your choice is recorded and removed from the display.
